I'm hearing that some IBAT members have a conflict with a 1pm start. As a result, I would suggest keeping IBAT discussion as is 2-4 and moving governance to 4pm. FB

Let's move the IBAT discussion up to 1.

All - it looks like Maria and I (and Les?) will be absent for approx. the first hour of the IMT meeting tomorrow. I think we'd all like to be there for the governance discussion. Is there something else that can be dealt with from 1-2 instead of governance? One possibility: the scheduling discussion with IBAT. Please advise. Mike
